Document Delivery and Interlibrary Loans (ILL)

Document delivery is free for PIC library cardholders and Colorado libraries. You can borrow our materials from any library that provides ILL.

Current Awareness

The PIC Newswire tracks news and announcements for the substance abuse prevention and treatment fields.

About Us

The Prevention Information Center (PIC) was established to provide the most up-to-date prevention and health promotion resources possible for the citizens of Colorado.

Housed at the Rocky Mountain Center for Health Promotion and Education, the PIC collection includes over 7,800 items covering a wide range of prevention and treatment issues.

The PIC is funded by the Colorado Department of Human Services, Alcohol and Drug Abuse Division (ADAD).

Helping people help people.

Prevention Information Center

The Prevention Information Center (PIC) is a library and information center. We provide access to a broad spectrum of substance abuse prevention and health promotion topics.

The PIC staff will help you find answers to your substance abuse related questions. We help connect you to the resources you can use to enhance your services to individuals, organizations and communities throughout Colorado.

Materials are available on loan to anyone living in Colorado. If you work in Colorado to reduce the impact of substance abuse on personal health, all of our services are entirely free of charge

Who Uses Our Services
